

APIFM FRIENDSGIVING “FUN”DRAISER RUN

Sunday, November 15, 2026 | 8:00 AM | Whittier Narrows

This year, we're bringing our community together to celebrate another year of collective impact, movement, and connection. Whether you're running, walking, cheering on friends, or simply showing up to support the cause, this event is an opportunity to get active, enjoy nature, and invest in healthier and more vibrant communities.

Lace up your shoes, bring your friends and family, and help us raise funds for APIFM's work in the community.

Why Your Support Matters

Proceeds from the Friendsgiving “FUN”draiser Run will directly support APIFM's community programming and ongoing work to advance health equity, food access, environmental justice, and community wellbeing.

Your sponsorship will help APIFM continue creating opportunities for communities to access healthy food, culturally relevant health education, environmental resources, green space, and tools to advocate for healthier neighborhoods.
